Title: Chief Financial Officer (Principal Financial Officer)

### IAS Reports First Quarter 2023 Financial Results

Total revenue increased 19% to \$106.1 million

Net income increased to \$3.1 million, or \$0.02 per share, at a 3% margin; adjusted EBITDA increased to \$34.1 million at a 32% margin

Increases full year financial outlook based on strong first quarter results and positive business trends

**NEW YORK** – **May 4, 2023** – Integral Ad Science Holding Corp. (Nasdaq: IAS), a global leader in digital media quality, today announced financial results for the first quarter ended March 31, 2023.

"We exceeded our first quarter outlook with increased demand across our product portfolio and benefited from several recent new customer wins," said Lisa Utzschneider, CEO of IAS. "Marketers trust IAS to measure and optimize their digital advertising spend while protecting brand safety. We are advancing our technology and platform partnerships to ensure our customers leverage actionable data in fast-growing channels."

### First Quarter 2023 Financial Highlights

- Total revenue was \$106.1 million, a 19% increase compared to \$89.2 million in the prior-year period.
- Programmatic revenue was \$51.0 million, a 26% increase compared to \$40.6 million in the prior-year period.
- Advertiser direct revenue was \$40.7 million, an 18% increase compared to \$34.6 million in the prior-year period.
- Supply side revenue was \$14.4 million, a 2% increase compared to \$14.1 million in the prior-year period.
- International revenue, excluding the Americas, was \$31.9 million, an 11% increase compared to \$28.7 million in the prior-year period, or 30% of total revenue for the first quarter of 2023.
- Gross profit was \$84.4 million, a 16% increase compared to \$72.7 million in the prior-year period. Gross profit margin was 80% for the first quarter of 2023.
- Net income increased to \$3.1 million, or \$0.02 per share, compared to net income of \$1.2 million, or \$0.01 per share, in the prior-yearperiod. Net income margin was 3% for the first quarter of 2023.
- Adjusted EBITDA\* increased to \$34.1 million compared to \$24.8 million in the prior-year period. Adjusted EBITDA\* margin was 32% for the first quarter of 2023.
- Cash and cash equivalents were \$94.4 million at March 31, 2023.

#### **Recent Business Highlights**

- YouTube Measurement Enhancement IAS's brand safety and suitability reporting on YouTube will now be aligned to the Global Alliance for Responsible Media (GARM) framework. As a result, IAS will offer more granular reporting for campaigns on YouTube.
- Netflix Ad-Supported Plan IAS launched viewability and invalid traffic verification for Netflix's ad-supported plan. IAS's verification on Netflix is now available in 12 markets globally and across all platforms.
- Amazon Publisher Services Integration IAS is the first verification vendor whose suite of publisher optimization solutions are now available via Amazon Publisher Services' (APS) Connections Marketplace. By leveraging their existing APS connection, publishers can easily discover and onboard new tech solutions with a streamlined and more efficient adoption and integration process.
- Samsung Partnership IAS's Publica business has renewed its exclusive partnership with Samsung to be their primary CTV ad server, helping them to power their ad break decisioning across Samsung TV Plus globally.
- Lumen Research IAS announced a strategic partnership with U.K.-based Lumen Research, a global attention technology company specializing in cutting edge eye tracking solutions. By combining IAS's attention capabilities and actionable data with Lumen's eye-tracking expertise, IAS's customers will have an even more powerful way to track which impressions have captured attention and are likely to drive a business result.

### **Financial Outlook**

"In addition to strong top-line performance, we grew net income and adjusted EBITDA in the first quarter," said Tania Secor, CFO of IAS. "Our strong balance sheet and healthy cash flows allow us to invest in the growth of the business. We are raising our 2023 outlook to reflect our first quarter results and positive business momentum highlighted by new customer wins and expanded market opportunities."

IAS is introducing the following financial outlook for the second quarter of 2023 and increasing its full year 2023 outlook for revenue and adjusted EBITDA:

## Quarter Ending June 30, 2023:

- **Total revenue** in the range of \$111 million to \$113 million
- Adjusted EBITDA\* in the range of \$35 million to \$37 million

### Year Ending December 31, 2023:

- Total revenue in the range of \$457 million to \$465 million
- Adjusted EBITDA\* in the range of \$147 million to \$153 million

\* See "Supplemental Disclosure Regarding Non-GAAP Financial Information" section herein for an explanation of these measures. IAS is unable to provide a reconciliation for forward-looking guidance of Adjusted EBITDA and corresponding margin to net income (loss), the most closely comparable GAAP measures, because certain material reconciling items, such as depreciation and amortization, interest expense, income tax expense (benefit) and acquisition, restructuring and integration expenses, cannot be estimated due to factors outside of IAS's control and could have a material impact on the reported results. However, IAS estimates stock-based compensation expense for the second quarter of 2023 in the range of \$15.5 million to \$17.5 million and for the full year 2023 in the range of \$61.0 million to \$64.0 million. A reconciliation is not available without unreasonable effort.

### Supplemental Disclosure Regarding Non-GAAP Financial Information

We use supplemental measures of our performance, which are derived from our consolidated financial information, but which are not presented in our consolidated financial statements prepared in accordance with GAAP. Adjusted EBITDA is the primary financial performance measure used by management to evaluate our business and monitor ongoing results of operations. Adjusted EBITDA is defined as income before depreciation and amortization, stock-based compensation, interest expense, income taxes, acquisition, restructuring and integration costs, foreign exchange gain, net, asset impairments, and other one-time, non-recurring costs. Adjusted EBITDA margin represents the adjusted EBITDA for the applicable period divided by the revenue for that period presented in accordance with GAAP.

We use non-GAAP financial measures to supplement financial information presented on a GAAP basis. We believe that excluding certain items from our GAAP results allows management to better understand our consolidated financial performance from period to period and better project our future consolidated financial performance as forecasts are developed at a level of detail different from that used to prepare GAAP-based financial measures. Moreover, we believe these non-GAAP financial measures provide our shareholders with useful information to help them evaluate our operating results by facilitating an enhanced understanding of our operating performance and enabling them to make more meaningful period-to-period comparisons. Although we believe these measures are useful to investors and analysts for the same reasons they are useful to management, as discussed below, these measures are not a substitute for, or superior to, U.S. GAAP financial measures or disclosures. Our non-GAAP financial measures may not be comparable to similarly titled measures of other companies. Other companies, including companies in our industry, may calculate non-GAAP financial measures differently than we do, limiting the usefulness of those measures for comparative purposes.

Reconciliations of historical Adjusted EBITDA to its most directly comparable GAAP financial measure, net income/loss, are presented below. We encourage you to review the reconciliations in conjunction with the presentation of the non-GAAP financial measures for each of the periods presented. In future fiscal periods, we may exclude such items and may incur income and expenses similar to these excluded items.

## **Reconciliation of Adjusted EBITDA**

<sup>(1)</sup> The adjustment for foreign exchange gain, net, was effective for the three months ended June 30, 2022 and periods thereafter. Adjusted EBITDA has not been recast for this adjustment for periods prior to June 30, 2022, because such adjustments would have been immaterial in such periods.

## **Conference Call and Webcast Information**

IAS will host a conference call and live webcast to discuss its first quarter 2023 financial results today at 5:00 p.m. ET. To access the live webcast and conference call dial-in, please register under the "News & Events" section of IAS's investor relations website. A replay will be available on IAS's investor relations website following the live call: https://investors.integralads.com.

#### About Integral Ad Science

Integral Ad Science (IAS) is a global leader in digital media quality. IAS makes every impression count, ensuring that ads are viewable by real people, in safe and suitable environments, activating contextual targeting, and driving supply path optimization. Our mission is to be the global benchmark for trust and transparency in digital media quality for the world's leading brands, publishers, and platforms. We do this through data-driven technologies with actionable real-time signals and insight. Founded in 2009 and headquartered in New York, IAS works with thousands of top advertisers and premium publishers worldwide. For more information, visit integralads.com.

#### **Forward-Looking Statements**

This earnings press release contains forward-looking statements that are subject to risks and uncertainties. All statements other than statements of historical fact included in this press release are forward-looking statements. Forward-looking statements give our current expectations and projections relating to our financial condition, results of operations, plans, objectives, future performance and business. You can identify forward-looking statements by the fact that they do not relate strictly to historical or current facts. These statements may include words such as "anticipate," "estimate," "expect," "project," "plan," "intend," "believe," "may," "will," "should," "can have," "likely," and other words and terms of similar meaning in connection with any discussion of the timing or nature of future operating or financial performance or other events. For example, all statements we make relating to our estimated and projected costs, expenditures, cash flows, growth rates and financial results or our plans and objectives for future operations, growth initiatives, or strategies are forward-looking statements. All forward-looking statements are subject to risks and uncertainties that may cause actual results to differ materially from those that we expected, including: (i) the adverse effect on our business, operating results, financial condition, and prospects from various macroeconomic factors including inflation, rising interest rates, potential recession, instability in geopolitical or market conditions generally and instability in the financial markets and banking industry; (ii) our dependence on the overall demand for advertising; (iii) a failure to innovate or make the right investment decisions; (iv) our failure to maintain or achieve industry accreditation standards; (v) our ability to compete successfully with our current or future competitors in an intensely competitive market; (vi) our dependence on integrations with advertising platforms, demand-side providers ("DSPs") and proprietary platforms that we do not control; (vii) our international expansion; (viii) our ability to expand into new channels; (ix) our ability to sustain our profitability and revenue growth rate decline; (x) risks that our customers do not pay or choose to dispute their invoices; (xi) risks of material changes to revenue share agreements with certain DSPs: (xii) the impact that any future acquisitions, strategic investments, or alliances may have on our business, financial condition, and results of operations; (xiii) interruption by man-made problems such as terrorism, computer viruses, or social disruption impacting advertising spending; (xiv) the risk of failures in the systems and infrastructure supporting our solutions and operations; and (xv) other factors disclosed in our filings with the SEC. Given these factors, as well as other variables that may affect our operating results, you should not rely on forward-looking statements, assume that past financial performance will be a reliable indicator of future performance, or use historical trends to anticipate results or trends in future periods.

We derive many of our forward-looking statements from our operating budgets and forecasts, which are based on many detailed assumptions. While we believe that our assumptions are reasonable, we caution that it is very difficult to predict the impact of known factors, and it is impossible for us to anticipate all factors that could affect our actual results. The forward-looking statements included in this press release are made only as of the date hereof. We undertake no obligation to update or revise any forward-looking statement as a result of new information, future events or otherwise, except as otherwise required by law.
